I have seen some of you whom have used this hack in the game and are frankly obvious, anything arrogant. 1 Why bring unwanted attention to yourself? It's only going to sabotage every other person who is meticulously using the hack.. Don't come back here and start acting surprise when you get the ban... 1 Words of advice, use hack, but also use your intelligence. 1 Become a responsible and smart user.. March 19, 2019 Message 15 Marks 3 Age 36 Location After joining India I am setting up the game..... And put the OBE file as well... The game starts... I allow..... And put the OBE file as well... The game starts... I allow..... So the game gets stuck with the black screen..... I have to kill it manually..... I'm able to play on the original app... Please help... Make sure your OBB is the latest version. You mentioned in the game that you played the original and placed OBB. 1 So just remove the OBB and try to install the latest one. If you already have the latest OBB, I have no idea how to help you. But black screen is always caused by corrupted files. Check that no other duplicate copies in your system For example: 2 OBB files, data files, folders, games associated with 19 Mar, 2019 messages joined 15 issue 3 age 36 location India I have checked all Things.
